

THINK!

THINK OF OTHERS *They might not like your music!*

Stereos, TVs and Radios **TURN THEM DOWN**
especially at night.

Parties **KEEP THE MUSIC DOWN**
with windows and doors closed.

In the Garden **KEEP NOISE LEVELS DOWN**
at barbecues and parties, ensure the music is only heard in your property.
Use the garden as a quiet “chill out” area.

In the Street **AVOID SHOUTING**
Keep noise down especially at night when other people will be sleeping.

**NOT EVERYONE WANTS TO KNOW WHERE YOU'VE BEEN
AND WHAT YOU DID!**

DON'T BE ANTI-SOCIAL – KEEP NOISE DOWN!
Be reasonable and reduce noise.
