We will need the following working drawings:

- (a) Two copies of a site layout plan, not smaller than 1/500 scale. This site layout plan should clearly indicate the plot numbers of each separate dwelling, office or business unit. The main point for etc. deliveries should also be shown.*
- (b) Two copies of a site location plan, which shows the location of the development site in relation to at least two other named streets where possible. (Including for rural properties a national grid reference).*

Maps submitted electronically should be preferably in DXF format or pdf, tiff or jpg format. The Council will consider your suggestion in consultation with the Royal Mail and Parish/Town Council. You should allow at least 28 working days for this procedure. If no objection is raised and the suggestions comply with the Council's policy on street naming and numbering, the name will be officially allocated and all relevant bodies will be automatically notified.

This form can be returned by post or e-mailed with the appropriate plans to the address below.
